

September 18, 2020

To Resident Representatives and Family Members:

In compliance with the NYS Department of Health (DOH) requirement, Chapin Home would like to update you on current COVID-19 statistics in our facility. We are writing to inform you that we were notified today of **one (1)** new positive test result for a recently discharged resident. All family members whose loved ones reside on the unit occupied by this resident prior to discharge have been notified, and we have taken all proper precautions to prevent further spread of the virus to our residents and staff. The discovery of this information requires us, per the DOH requirement, to push back our opening day for visitors.

At present, the COVID-19 statistics are as follows:

COVID -19 Information:

- **New Admissions:** 0
- **New Positive Resident Testing:** 1
- **New COVID -19 Death:** 0
- **New Positive Employee Test:** 0

Chapin continues to follow all CDC and DOH recommendations and continues to report specific numbers to the DOH daily. Based on continuous ongoing testing required by NYS, **limited** in person visitation has been suspended for another 14 days, new tentative start date is **9/29/2020, which is SUBJECT TO CHANGE**.

In the coming days and weeks there will be additional COVID -19 related updates and you can expect to receive letters and robo-blast from Chapin Home. Any questions and concerns can be directed to the Social Work Department (ext. 2019, 2052, 2008).

Sincerely,

The Chapin Home Team
