**Chapin Home is currently in the Yellow Precautionary Zone.** For more information please refer to the following websites:

Chapin Home continues to follow all CDC and DOH recommendations and continues to report specific numbers to the DOH daily. Based on continuous ongoing testing required by NYS, limited in person visitation has started, which is **SUBJECT TO CHANGE** due to testing results and increasing community levels. Please check the website for additional information.

In the coming days and weeks there will be many additional COVID-19 related updates and you can expect to be receiving many letters and robo-blast from Chapin Home. Any questions and concerns can be directed to the Social Work Department (ext. 2019, 2052, 2008)

Sincerely,

The Chapin Home Team
