

December 01, 2023

The Chapin Home team continues to work closely with the New York State Department of Health, CDC, and CMS as the regulations are being updated and changed. To ensure the safety of our residents, staff, and visitors, Chapin Home will continue to offer COVID self-testing kits. When visiting we encourage everyone to please continue to follow **BEST PRACTICES, Covid 19 testing prior to visiting, wearing a face mask**, because they have been **highly successful** at keeping COVID out of the building.

If you suspect exposure to someone who is ill or who has recently tested positive for COVID-19, or you are not feeling well yourself please do not visit.

As per NYSDOH mandate and as an effort to communicate current statistics and COVID-19 related information, Chapin Home would like to notify you of the following. Chapin continues to adhere to NYSDOH, CDC and CMS regulations and guidance for COVID-19 outbreak testing.

At present, the COVID-19 statistics are as follows:

▪ New Admission:	2
▪ New Positive Resident Testing:	0
▪ New COVID-19 Death:	0
▪ New Positive Non-Direct Care Giver Employee Test:	0
▪ New Positive Direct-Care Giver Employee Test:	0
▪ Non-COVID-19 Death:	0

All who enter the facility are being encouraged to continue wearing face masks during your visit (please leave the building if you need to have something to eat or drink). All visitors must use hand sanitizer upon entering and leaving the building.

Chapin Home asks that this information is shared with all the family members that will be visiting their loved one.

*\*\*\* Mezzanine: Due to the unique needs of this special unit we are loosely pre-scheduling "In person" visitation- please email [scheduleyourvisit@chapinhome.org](mailto:scheduleyourvisit@chapinhome.org) for more info and directions.*

As necessary, COVID-19 related updates will continue to be mailed, robo blasted and/or posted on our Chapin website [www.chapinhome.org](http://www.chapinhome.org).

Any questions and concerns can be directed to the Social Work Department (ext. 2019, 2052, 2049, 2008).

Sincerely,

The Chapin Home Team

▪ New Positive Non-Direct Care Giver Employee Test:	0
▪ New Positive Direct-Care Giver Employee Test:	0
▪ Non-COVID-19 Death:	3

All who enter the facility are being encouraged to continue wearing face masks during your visit (please leave the building if you need to have something to eat or drink). All visitors must use hand sanitizer upon entering and leaving the building.

Chapin Home asks that this information is shared with all the family members that will be visiting their loved one.

*\*\*\* Mezzanine: Due to the unique needs of this special unit we are loosely pre-scheduling "In person" visitation- please email [scheduleyourvisit@chapinhome.org](mailto:scheduleyourvisit@chapinhome.org) for more info and directions.*

As necessary, COVID-19 related updates will continue to be mailed, robo blasted and/or posted on our Chapin website [www.chapinhome.org](http://www.chapinhome.org).

Any questions and concerns can be directed to the Social Work Department (ext. 2019, 2052, 2049, 2008).

Sincerely,

The Chapin Home Team

August 4, 2023

The Chapin Home team continues to work closely with the New York State Department of Health, CDC, and CMS as the regulations are being updated and changed. To ensure the safety of our residents, staff, and visitors, Chapin Home will continue to offer COVID self-testing kits. When visiting we encourage everyone to please continue to follow **BEST PRACTICES, Covid 19 testing prior to visiting, wearing a face mask**, because they have been **highly successful** at keeping COVID out of the building.

If you suspect exposure to someone who is ill or who has recently tested positive for COVID-19, or you are not feeling well yourself please do not visit.

As per NYSDOH mandate and as an effort to communicate current statistics and COVID-19 related information, Chapin Home would like to notify you of the following. Chapin continues to adhere to NYSDOH, CDC and CMS regulations and guidance for COVID-19 outbreak testing.

At present, the COVID-19 statistics are as follows:

▪ New Admission:	2
▪ New Positive Resident Testing:	0
▪ New COVID-19 Death:	0
▪ New Positive Non-Direct Care Giver Employee Test:	0
▪ New Positive Direct-Care Giver Employee Test:	0
▪ Non-COVID-19 Death:	0

All who enter the facility are being encouraged to continue wearing face masks during your visit (please leave the building if you need to have something to eat or drink). All visitors must use hand sanitizer upon entering and leaving the building.

The Chapin Home team continues to work closely with the New York State Department of Health, CDC, and CMS as the regulations are being updated and changed. To ensure the safety of our residents, staff, and visitors Chapin Home will continue to offer COVID self-testing kits. Chapin does not require any visitor to complete a PCR prior to visit, however we will accept a result if completed within set time frame of 24 hours. When visiting we encourage everyone to please continue to follow **BEST PRACTICES, Covid 19 testing prior to visiting, wearing a face mask**, because they have been **highly successful** at keeping COVID out of the building. COVID will be here in some form for many years so help us keep our community safe.

If you suspect exposure to someone who is ill or who has recently tested positive for COVID-19, or you are not feeling well yourself please do not visit.

As per NYSDOH mandate and as an effort to communicate current statistics and COVID-19 related information, Chapin Home would like to notify you of the following. Chapin continues to adhere to NYSDOH, CDC and CMS regulations and guidance for COVID-19 outbreak testing.

At present, the COVID-19 statistics are as follows:

▪ New Admission:	1
▪ New Positive Resident Testing:	0
▪ New COVID-19 Death:	0
▪ New Positive Non-Direct Care Giver Employee Test:	0
▪ New Positive Direct-Care Giver Employee Test:	0
▪ Non-COVID-19 Death:	1

All who enter the facility are being asked to continue wearing face masks (cover the mouth and nose), worn at all times-even in residents' rooms and not remove them for any reason (please leave the building if you need to have something to eat or drink) and continue to physically distance. All visitors must use hand sanitizer upon entering and leaving the building.

Chapin Home asks that this information is shared with all the family members that will be visiting their loved one.

*\*\*\* Mezzanine: Due to the unique needs of this special unit we are loosely pre-scheduling "In person" visitation-please email [scheduleyourvisit@chapinhome.org](mailto:scheduleyourvisit@chapinhome.org) for more info and directions.*

As necessary, COVID-19 related updates will continue to be mailed, robo blasted and/or posted on our Chapin website [www.chapinhome.org](http://www.chapinhome.org).

Any questions and concerns can be directed to the Social Work Department (ext. 2019, 2052, 2049, 2008).

Sincerely,

The Chapin Home Team

February 1, 2023

The Chapin Home team continues to work closely with the New York State Department of Health, CDC, and CMS to ensure the safety of our residents, staff, and visitors. The New York State Dept. of Health **continues** to require all visitors to submit the results of a COVID negative test to enter the facility. PCR results must not be older than two days prior to visiting (48 hours). Antigen (Rapid) results must not be older than one day (24 hours) prior to visiting. We are able to provide self- test kits if you are unable to obtain a test on your own or do not have a valid proof of a negative test conducted in the required time frame. When visiting, please continue to follow **BEST PRACTICES, Covid 19 testing prior to visiting** because they have been **highly successful** at keeping COVID out of the building. We have realized that COVID will be here in some form for many years.

If you suspect exposure to someone who is ill or who has recently tested positive for COVID-19, or you are not feeling well yourself please do not visit.

As per NYSDOH mandate and as an effort to communicate current statistics and COVID-19 related information, Chapin Home would like to notify you of the following. Chapin continues to adhere to NYSDOH, CDC and CMS regulations and guidance for COVID-19 outbreak testing.

▪ New Positive Direct-Care Giver Employee Test:	1
▪ Non-COVID-19 Death:	0

All who enter the facility, as per **NYSDOH guidelines**, regardless of vaccination status, are required to wear face masks (cover the mouth and nose), must be worn at all times-even in residents' rooms-and cannot be removed for any reason (please leave the building if you need to have something to eat or drink) and physically distance. All visitors must use hand sanitizer upon entering and leaving building.

Chapin Home asks that this information is shared with all the family members that will be visiting their loved one.

*\*\*\* Mezzanine: Due to the unique needs of this special unit we are loosely pre-scheduling "In person" visitation-please email [scheduleyourvisit@chapinhome.org](mailto:scheduleyourvisit@chapinhome.org) for more info and directions.*

As necessary, COVID-19 related updates will continue to be mailed, robo blasted and/or posted on our Chapin website [www.chapinhome.org](http://www.chapinhome.org) .

Any questions and concerns can be directed to the Social Work Department (ext. 2019, 2052, 2049, 2008).

Sincerely,

The Chapin Home Team

February 3, 2023

The Chapin Home team continues to work closely with the New York State Department of Health, CDC, and CMS to ensure the safety of our residents, staff, and visitors. The New York State Dept. of Health **continues** to require all visitors to submit the results of a COVID negative test to enter the facility. PCR results must not be older than two days prior to visiting (48 hours). Antigen (Rapid) results must not be older than one day (24 hours) prior to visiting. We are able to provide self- test kits if you are unable to obtain a test on your own or do not have a valid proof of a negative test conducted in the required time frame. When visiting, please continue to follow **BEST PRACTICES, Covid 19 testing prior to visiting** because they have been **highly successful** at keeping COVID out of the building. We have realized that COVID will be here in some form for many years.

If you suspect exposure to someone who is ill or who has recently tested positive for COVID-19, or you are not feeling well yourself please do not visit.

As per NYSDOH mandate and as an effort to communicate current statistics and COVID-19 related information, Chapin Home would like to notify you of the following. Chapin continues to adhere to NYSDOH, CDC and CMS regulations and guidance for COVID-19 outbreak testing.

At present, the COVID-19 statistics are as follows:

▪ New Admission:	3
▪ New Positive Resident Testing:	0
▪ New COVID-19 Death:	0
▪ New Positive Non-Direct Care Giver Employee Test:	0
▪ New Positive Direct-Care Giver Employee Test:	0
▪ Non-COVID-19 Death:	0

All who enter the facility, as per **NYSDOH guidelines**, regardless of vaccination status, are required to wear face masks (cover the mouth and nose), must be worn at all times-even in residents' rooms-and cannot be removed for any reason (please leave the building if you need to have something to eat or drink) and physically distance. *\*\*\* Mezzanine: Due to the unique needs of this special unit we are loosely pre-scheduling "In person" visitation-please email [scheduleyourvisit@chapinhome.org](mailto:scheduleyourvisit@chapinhome.org) for more info and directions.*

As necessary, COVID-19 related updates will continue to be mailed, robo blasted and/or posted on our Chapin website [www.chapinhome.org](http://www.chapinhome.org) .

Any questions and concerns can be directed to the Social Work Department (ext. 2019, 2052, 2049, 2008).

Sincerely,

The Chapin Home Team

January 27, 2023

The Chapin Home team continues to work closely with the New York State Department of Health, CDC, and CMS to ensure the safety of our residents, staff, and visitors. The New York State Dept. of Health **continues** to require all visitors to submit the results of a COVID negative test to enter the facility. PCR results must not be older than two days prior to visiting (48 hours). Antigen (Rapid) results must not be older than one day (24 hours) prior to visiting. We are able to provide self- test kits if you are unable to obtain a test on your own or do not have a valid proof of a negative test conducted in the required time frame. When visiting, please continue to follow **BEST PRACTICES, Covid 19 testing prior to visiting** because they have been **highly successful** at keeping COVID out of the building. We have realized that COVID will be here in some form for many years.

If you suspect exposure to someone who is ill or who has recently tested positive for COVID-19, or you are not feeling well yourself please do not visit.

As per NYSDOH mandate and as an effort to communicate current statistics and COVID-19 related information, Chapin Home would like to notify you of the following. Chapin continues to adhere to NYSDOH, CDC and CMS regulations and guidance for COVID-19 outbreak testing.

At present, the COVID-19 statistics are as follows:

▪ New Admission:	0
▪ New Positive Resident Testing:	0
▪ New COVID-19 Death:	0
▪ New Positive Non-Direct Care Giver Employee Test:	0
▪ New Positive Direct-Care Giver Employee Test:	0
▪ Non-COVID-19 Death:	0

All who enter the facility, as per **NYSDOH guidelines**, regardless of vaccination status, are required to wear face masks (cover the mouth and nose), must be worn at all times-even in residents' rooms-and cannot be removed for any reason (please leave the building if you need to have something to eat or drink) and physically distance. All visitors must use hand sanitizer upon entering and leaving building.

Chapin Home asks that this information is shared with all the family members that will be visiting their loved one.
